

Join NWS Jackson, KY &

 College of Agriculture,
Food and Environment
Ag Weather Center

UK CAFE Ag Weather Center for a presentation on
**Winter Weather Forecasting
and the Winter Ahead**

DATE: Thursday, November 17, 2016
TIME: 6:00 P.M.
WHERE: Rowan County Courthouse, Fiscal Court Room
600 West Main Street
Morehead, KY 40351

Wondering what the winter ahead will bring?

Have you ever wondered why winter weather forecasts vary so much between sources?
Why is winter weather forecasting so tough?

NWS Meteorologist *Tony Edwards*, & *Matthew Dixon*, UK Ag Weather Center Meteorologist will answer these questions. Topics will include a discussion on ● Past Winter Storms in Kentucky ● How to Stay Safe in Winter and ● How to Assist the National Weather Service and the Media by Reporting Significant Winter Weather

● Additional information about UK Ag Weather Center and agriculture specific approach to the winter season will be presented.

Presented by Rowan County Extension Office and the Rowan County Emergency Management
Contact the Extension Office at (606) 784-5457 for more information.
